A blonde woman with wavy hair is lying on her side on a dark brown fur rug. She is wearing a black, off-the-shoulder corset-style dress with lace-up detailing on the back and sheer stockings with thin black vertical lines. She is looking back over her shoulder at the camera with a slight smile. Her hands are clasped near her face. The background is a plain, light-colored wall.

Her little

sexy, hot babe.

“The best sex I’ve had was after I got married. My ex was a bit of a nerd, tall and thin, but he had a ten inch cock that made up for everything – at least for a while.”

“Since the divorce, I’ve mustered the confidence to go after the men I want. Now I’m the one on the prowl looking for a boy toy I can play with. I want them young and hung. My ex has spoiled me for big cocks. I’m only 5’ 2” so a big cock sure feels even bigger!”

“I love fucking to romantic music. I’ll put on some Mel Tormé and get my hips into the rhythm of the song. He’s nicknamed *The Velvet Fog* and that’s just what he puts me into.

One night I fucked from the beginning of his album *Nothing Without You* to the end; only stopping to flip the disc, and to cum a few dozen more times!”

A blonde woman with blue eyes and a large black cross necklace is lying on a dark fur rug. She is looking directly at the camera with a slight smile. Her hair is blonde and wavy. She is wearing a black strapless top. The background is a plain wall.

"I haven't been with a girl yet, but I'm kinda looking forward to it. My best friend's girlfriend is gay and when we go out together, she's always suggesting we sleep together, but so far I've said 'no'."

"The next time I see her however, I'll be the aggressor and see if she wants to fool around. I think I can be a pretty good pussy licker. Don't you? If you call me now we can discuss it. Maybe I should just stick to boys. I know how to handle them."

"One day I took one out of it's confinement and I could see it wanted attention. It ws all hard and stiff and tears were coming out of it's one eye."

"I began to caress and kiss it and it got even stiffer. Then I looked down and saw that it had two round bumps attached to its base. I pulled them out and gave them some attention too, but they crawled back into their cocoon."

“Well let me tell you, that little snake is really demanding. It wants to be played with all day. It wants to go into places that you may not want it to. When I confront the owner, he usually says it has a mind of its own and won’t take responsibility for its actions. I cannot believe men will let this thing do whatever it wants.”

"I've grown quite fond of them over the years. Each one is a little different, but they all seem to want the same thing. So why don't you guys call me and tell me how your trouser snake is doing. Do you take it out often? Does it have nice friends? Is it happy? I'd love to know. Here's my number..."

Letters From Our Readers

Comments on the magazine, the sexy ladies, and our readers' thoughts on sex.

45 AND STILL GROWING

Dear Gabrielle,

"Hi." My name is Blair. I am 6 feet tall. I am single. I am 45 years old. How old are you. I like your style. How old are you I want your address please. Do you wear glasses? I want to date you. I want you to wear glasses, black nylons, black or short dresses, see-through shoes. Do you drive? Do you live in a house, apartment?

— Blair, ND

Gabrielle has sparked many of our reader's imaginations. But to all that have written in, or are planning to; we just cannot tell you where she is. Keep using your imaginations.

Dear 50+,

In your issue of 50+ magazine Vol. #5, you had a layout of the 55-year-old from Austin, Texas named Kis-

sandra. I think she is very hot!!!! And sexy, with a sexy pussy. I am a 49-year-old guy. Please put her in one of your layouts. I really like to meet her. Yeah I really can't handle her, I am a mustang kind of guy. My question for her is can she ride this mustang? If she thinks she can please tell her to write me back. And I still think that you should keep doing letters in your magazine. I love to read them.

Also in the issue of the jumbo double issue of the best of 40+50 Vol. #59 you did a layout of the 42-year-old Dixie who is also from Austin, Texas. She is a sexy hottie too!!!! Again this mustang can give her the raunchy rough, dirty, nasty sex that I know she needs. I am 46 years old and I love your magazine. Please put her on the same layout with Kissandra and please put Kissandra on the cover. And please tell them or ask them to please write me back. And please bring back letters. I love reading them in your magazine.

— Mr. Mustang, Atlanta

Well, Mr. Mustang, is it? You like to ride them hard? We've printed both your letters above but are confused by your age difference. Are you 49 for Kissandra and 46 for Dixie? If you are, that's cool. We don't tell the DMV our real age also.

Just for you, we'll try to contact Kissandra and Dixie (but it's been a while) about doing another photo shoot and magazine layout (don't hold your breath). Even if they don't do it, we hope you'll like reading your letters in our magazine, too!

WIFE'S WORK IS NEVER DONE

My wife was ready to leave me because I'd been concentrating more on my career than our relationship. I talked her into taking the drive to Dallas with me, hoping things would change. Ashley is a wonderful woman, and I didn't want to let her go. We needed some quality time together to rekindle our love and, hopefully, some of the sex that had been missing over the years. We left that Saturday morning saying very little to each other.

We arrived at our hotel, unpacked and decided to get something to eat. Although it was three in the afternoon While we were on the way to the restaurant, we passed a few strip bars and started commenting on how it's been since college that we had gone to one. We decided to stop into Harry's Heaven, a small club well away from the big glamorous clubs that are all over Dallas for a drink first.

There were only a few other people there, and we were escorted to a booth towards the back and ordered our drinks. There was a young blonde girl on stage seemingly just going through the motions. She had big, floppy tits but a cute little body. Ashley and I checked out the dimly lit space as the girl went through her "sexy" routine. After our drinks came, one of the dancers came over and introduced herself to us as Riley. She was about 22 years old, with shoulder length hair. To our astonishment, Riley came right out and asked Ashley if she wanted a lap dance. We excused ourselves and asked her to come back later. We discussed her offer and Ashley was intrigued by the possibilities.

Another round of drinks was all it took to get her to agree to have Riley do a sexy table dance, but soon became more than a dance. Slowly Riley finished her standard dance moves and began to take off her black top and rub her breasts. She took off her bottom, leaving herself totally nude except for her clear-soled, high-heeled shoes. She leaned over and whispered something into my wife's ear and Ashley slinked down and pulled her panties off under her skirt.

She then unbuttoned her top and released her boobs from their confinement. I looked at what was going on and kept my mouth shut. Riley motioned over to the bartender and then the lights dimmed in the back area with the booths. Our table was only lit by a large red candle and the ambient light in the club. As my eyes adjusted to it, I noticed that Ashley and Riley had begun to suck on each other's beautiful tits.

Riley got down on her knees and started licking Ashley's clit, then snaked her tongue into her gash. She slid a finger in my wife's pussy and pumped it in and out, while wiggling the tip of her tongue against Ashley's clitoris. She plunged deep into Ashley's cunt, lapping at the tangy walls and causing Ashley to shudder with an orgasm that left her hanging onto the tabletop.

Riley rose up and sauntered over to where I was sitting and gave me a sloppy kiss that made sure that I sopped all of Ashley's sweet juices off her hot tongue. She straddled me and ground her pussy against my

crotch. My cock was filling with blood again, and was soon huge. I put my hand between Riley's legs and slid my fingers up into her soaked pussy. I pressed my cock head against slit, and in a brief moment I was inside.

With a squeal, she pumped up and down on me for a few moments. Ashley knelt on the floor behind Riley so she could lick her sweaty ass cheeks as I boned her. Riley lay on top of me, and Ashley put her mouth between the dancer's legs. I could see my wife licking Riley's cunt as I fucked her. Her tongue was wet against my cock as it slid in and out of Riley's dripping snatch. She climaxed with a scream. Just as I was about to come, I pulled my cock out of Riley's pussy and stuck it into Ashley's. My wife was so worked up that I had her climaxing in seconds. It was a good thing too, because I was right behind her, spewing most of my load into her deep pussy. I saved the last few drops for Riley, who let me squirt them on her breasts. She took her fingers and swirled up the cum and began to lick it off them. She put a big glob in her mouth and leaned over to kiss Ashley. The two shared my love juices as the candlelight flicked and then died ending the show in darkness.

Ashley and I didn't hit the road for a few more days, never leaving the hotel, except for the day we spent at Riley's place, having enough sex to fill several issues of this magazine. Furthermore our erotic three-way affair with Riley saved our relationship. I'm happy to say that Ashley and I are now happily married.

The summer after I turned 51, I divorced and moved to a new town. I found a quiet neighborhood with several families living on my street. Over time I met most of them. Across the street lived the Lewis bunch. Six kids in the house and a couple more in college. The oldest daughter was named Olivia and she was home after graduating nursing college. She was a very pretty girl with a caring heart. When I moved into the neighborhood and she found out I had just divorced, we would talk for hours about relationships, and she would tell me of her high school and, later, college boyfriends. I told stories of my wife and kids. About love and hate and infidelity.

Olivia favorite stories were of boys trying to get into her pants, but she wanted to save herself for the right man. When she went away to college, our time together was much less and the stories less bold. In college, she started wearing skimpy T-shirts that left little doubt about the size and shape of her gorgeous breasts. Her shorts became shorter, but that seemed okay because she was working out and developed into a outgoing girl with a tight body. I understand that she developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let anybody touch.

I suspected that she had a boyfriend in college and that she was

saving herself for him. Still, she was always friendly to me, and I saw a lot of her at one place or another in the neighborhood. She worked out at the athletic club just down the street from our

COVET THY NEIGHBOR'S DAUGHTER

houses. I worked out there as well, and we often spend time together they are. She always wore running shorts that were as thin as skin and a slim bikini top that allowed her boobs plenty of fresh air as she worked out.

One afternoon after working at the club, Olivia and I walked home together. She told me that she was feeling stiff for some reason. She asked if I might possibly give her a back rub when we got back.

This opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my middle age lust for her.

As it turned out, Olivia's parents and siblings weren't home, so we had the house to ourselves. She let me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy, through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas. "This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take these off as well," she said, slinking out of her panties, too.

The room was suddenly filled with the tart smell of pussy. With my monstrous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Olivia's pussy was plainly visible. From this rear angle I could see some wispy dark hairs. Mostly though, what I saw were too tantalizing pussy lips, glistening with her sweaty nectar. As I wondered whether she had ever been

fucked, or whether she fingered her young cunt in bed at night, I felt my cock twitch uncontrollably.

"Hey, how about that back rub?" she said with a laugh, knowing full well that giving her a massage was probably the furthest thing from my mind. But, getting back to it, I started doing what I'd been invited over to do.

I began with her shoulders, squeezing them gently. Her shoulder and neck muscles were extremely tense, but after a few minutes of rubbing, they relaxed considerably. I worked my way down her back, massaging a small patch at a time. She made soft moaning sounds and moved her body sensually against the bed as my hands traveled down her trunk. Now it was time to do her ass. "That tickles," Olivia giggled as I worked the rounded cheeks with my fingertips. She loved it.

By the time I had massaged her thighs, calves and feet, it was all I could do to keep from cumming in my shorts. I was ready to run out of there and head straight home to jerk off, when Olivia turned around and said, "Would you like me to do you now?"

Before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock with such a force, I could swear the house moved. That didn't surprise me, since I felt as hard as a hammer. I closed my eyes, waiting to feel her turn me around so she could rub my back. But the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head

moving up and down and her soft warm tongue lapping all of my cock with amazing energy.

With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and licked it some more.

"I hope you don't mind if I skipped the back rub and do this instead," she didn't wait for an answer. She just went right back on sucking me off. It was the first head I'd had in the five years since moving, and I felt more incredible even than I'd imagined in my wildest fantasies. Olivia's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She pumped me as she stopped, almost sending me over the edge. When she took my balls in her mouth and gave them a good soaking. I felt her tongue separate them and lick each one. I said, "Are you trying to make me cum?" She let her eyes answer me. They seemed to say, "What do

you think, neighbor?" She went to work at a feverish pace, taking my meat all the way in, her tongue moving against it like dog licking his last bone. Every few seconds she take her mouth off my cock to urge me to shoot my load. Finally I was ready to explode and told her so. Olivia backed her head away but kept pumping with her hand until the spunk flew out of my prick in a torrent of light globs that landed right on her extended tongue. She kept stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. "But hurry, my parents should be home any minute." I thrust my tongue deep inside her wet slit as she held her pussy lips apart and fingered her clit. With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and licked it some more. She finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick. Then, unwillingly, I got up to leave.

Olivia and I have since spent many such afternoons together. She now comes over to my house for the privacy. She tells her parents that she's out looking for a job, but I'm the one getting the blow by blow. We go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating pussy. I don't know what I'll do if she finds a job or a guy her age. But for now, that's what I call right neighborly.

ask Dr. Sabrina

returns with more words from – and for you

Dr. Sabrina,

On a nice spring day my girlfriend and I were sitting on a blanket at a city park looking at a 50+ magazine. And my girlfriend asked the question. She asked me if there is a spot in her asshole that can make her come, better than she comes from her pussy. The reason she asked that question is we have oral anal sex and when I am eating her asshole I hit a spot that she says feels very good. I am really turned on by women with hairy assholes. I shave her often so that it will grow back thicker and bushier. Please give us your input on this subject. I hope to hear from you real soon! Thank you for taking the time to hear my feelings!

– Ted, St. Louis, MO

Hello Ted,

First let me say how nice to hear that you and your girlfriend share and explore sex so openly. I have learned that couples who do have a much calmer and positive relationship than those that are more uptight about it.

As far as a spot in or near the asshole being more sensitive than the pussy, it has been shown that both areas are very sensitive and that it varies with the individual. For this discussion, let's assume that female partners are open to anal pleasure. When the anus is stimulated, it has its own singular sensations. While they are sexual and pleasurable, they are often more sensitive because that area will not be stimulated as often as the vaginal area. Many women can orgasm anally and enjoy it immensely. But is there a "G-Spot"

Dr. Sabrina responds to letters from Ted and Stephen with sage advice while rubbing her big boobs.

If you have questions about the opposite sex or even yourself, then Dr. Sabrina may have the answer.

there? We can say that one has not yet been found. There are, however, many working their butts off trying to discover it.

Shaving the anal area can be a real problem at times. When it is smooth, it's great and a lot of fun. However, when hair starts growing back, it can be a very prickly situation. If your wife can tolerate the days it is uncomfortable, then by all means enjoy doing what you like.

– Dr. S.

Dear Dr. Sabrina,

I hope you might be wondering as to who is this guy that has written to me? Anyway I am Stephen, 35 years old experienced orgasm giver and resident in Toronto, Canada.

Having read your page in your magazine of July 2008 edition, I was moved by the story told by "Ms. C. Mercedes" in the rich older bitch and the pump jockey. I enjoyed reading the story which moved me to respond by writing to you because I also believe I can do more than that. Trust me whenever I look at your nice pussy, I lick it in the magazine but I want it to be real where I will stretch my viper-like dog tongue to tickle your clitoris to give you the enjoyment you want.

Have you experienced orgasm seven times before? I have the tricks, techniques and all that needs to be applied on you to have that experience (once) for the first time and more.

You are experienced but I have more to give you that will be new and enjoying to you and will live with it forever. You will not know and enjoy it until you reply for us to meet. Give me your phone number and photos.

– Stephen, Toronto

Stephen, you flatter me. You must truly be something. I have not climaxed seven times, but I do remember several of them. If you have the tricks and techniques you say, think about sharing them with the world.

Interview with a porn princess

One of porn's loveliest and horniest stars shares some sexy thoughts and secrets.

Avy Scott is one of the adult industry's premiere talents. In the business almost ten years, Avy has a huge following and is one of the best liked female performers working today. It's her positive attitude, her willingness to perform as directed, as well as her smoking hot sexuality that makes her the first choice of many directors and fans.

Ed – I'm sitting at my desk reviewing the pictorial of Avy and Nikko. I'm mesmerized by the photos and drift off to a dressing room at the photo studio waiting for Avy Scott to finish her photo set. The makeup artist is packing up her kit and setting it by the door as Avy walks in. Dressed in a white robe, she asks for a minute to clean up and get herself together. She leaves the room headed for the bathroom and after about five minutes returns. She returns and comes to join me in the second makeup chair. She says, "Okay now I'm ready."

Ed – Hi Avy. Thank you for taking the time to speak with me. You look ravishing. Oh, I really mean ravaged. (She chuckles)

Avy – Well thank you for waiting for me. The scene turned out to be longer than we expected, but I think we got some great stuff. Nikko's a real fun guy and I had a great time. I hope you like looking at the photographs.

Ed – Oh, I'm sure I will. Now if we can get down to it. May I start by asking questions about your past?

Avy – I really don't like to talk too much about it, but I'll hear you out.

Ed – I understand you're a Florida girl. What brought you out to the West Coast, and more specifically how did you get into this business?

Avy – Well, I came out about nine years ago to visit some girlfriends. While we were out clubbing, one of my girlfriend's mentioned that she was making extra money doing adult films. So I questioned her about it and told her that would be

something I'd be interested. We talked about some more and it got me curious. I decided to try it and see what it was like. I did not plan to make it a career, that's for sure. But I guess I was wrong.

Ed – That seemed like a safe introduction. Can you tell me what your first scene was and when you did it?

Avy – My first scene was with a guy named Josh. We started off real slow kissing and hugging at first; the premise being we were college sweethearts, which wasn't far from the truth because I was in college at the time. Josh knew it was my first time so he was really patient with me and helped me along.

Ed – I did a little research and I see you've done over 100 films. Can you tell me which one was your favorite?

Avy – I can't say that I have a favorite film, but I do remember this one scene shooting at the beach in Malibu. It reminded

me so much of Florida. It was a beautiful day. We got there early and noticed they had put some overstuffed deck chairs under a canopy for my scene. The sound of the ocean and the waves breaking; the sun beating on our bodies made it really hot. I was working with a guy I had not met before but had seen this photos at the agency. I was kind of excited to work with him because I heard some good stuff about him, and he supposedly had a big cock, so I was anxious to see it. Before we started the scene he came over and introduced himself and offered me a cool drink; which I thought was very nice. We sat and talked for a few minutes and then were interrupted by the director who told us that they were ready to shoot. His name was Scott. He stood up and offered his hand to me. I took it and we went to the set. After a bit of dialogue we were instructed to start kissing – which was fun. After a minute he started undoing the straps on my bikini and began to kiss my breasts. His tongue was cool from the drink and it felt nice on my nipples. He continued down my body, kissing my belly, and laid me down on the chair and then grabbed my bikini bottom to pull it off. Instinctively I opened my legs and he lowered himself to lick my pussy. This scene took a couple hours to finish but throughout most of that I felt more like we were making love rather than just having sex. There were a couple times when the director said "Cut" but we just kept going.

Ed – Wow, that sounds pretty hot.

Avy – Yeah, it was pretty hot. He had a gorgeous cock and I really enjoyed sucking on it. He was cleanly shaved and he smelled wonderful. His cock was

huge and it felt really good inside me.

Ed – Do you also do girls?

Avy – Yes, I like girls. I've worked with many of them and I have my faves. But I really like guys, and I have to say there's just something about a hard cock inside me that makes me feel good. But I do like the way girls eat pussy. They have a feel for it that most guys don't. I really like to

have my pussy licked. Maybe it's because I'm a "pillow princess."

Ed – Pillow princess? I haven't heard that term before.

Avy – (Chuckles) That means a woman likes getting pussy licked more than licking. I prefer to just lay back and have the girl or guy do it to me.

Ed – I've seen quite a few of your movies and you seem to handle yourself pretty well in a three-way.

Avy – It's not as easy as it looks. Sometimes it's easy for one of the three to get

left out so you have to be careful that every one gets their share of the action. The director will often choreograph the action. That's done mostly for the camera angles. Since I like guys, having two of them fuck me at the same time is a lot of fun. It makes me feel like the center of attention. I work hard to give the director a good scene because I know that men like to watch good, hard sex.

Ed – Speak of directing... I understand you've directed a few films yourself.

Avy – I have. About four or five of them. The very first scene I ever directed, the talent showed up late and I got really nervous and pissed. I stumbled through my first couple movies getting a lot of help from the experienced crew I had around me. I'm a little more confident now as a director but there's still something about being in front of the camera.

Ed – I'm curious... let's go back to the first scene you directed. How did it come about? How did it go?

Avy – I had a bit of a screenplay to follow. I had some idea about what I wanted and how I wanted the dialogue to go. We had rented a gorgeous house in the Hollywood Hills with a huge elaborate bathroom. I had a couple taking a bath together, drinking champagne, and ultimately fucking. I know it sounds a little stereotypical but it was something that I could relate to and always liked as a romantic setting.

Ed – So how did you get the action going?

Avy – I had the couple enter the bathroom and the guy took off the girl's robe as she faced the camera with him kissing her neck and shoulders. Then he helped her into the tub and got in after her. She was sitting down but before he could sit she took his cock in her mouth and started licking it. What was interesting is that I found myself to be a bit more of a voyeur than I expected. I enjoyed watching the action and realized, perhaps a little too

late, that I should have yelled "Cut" and change the camera angle. But watching them suck and fuck was more interesting than barking out directions and ruining their flow.

Ed – I've noticed in almost all of your movies that you have anal sex. Many girls won't do it. Why do you?

Avy – Well, I had done that in my personal life before getting involved in the movies, so I was already kinda used to it. When I found out that you get paid more money to do an anal scene, well that was just icing on the cake. Realize, I don't do it just for the extra money. It feels great and it makes the sex scene, but there's only so much of it I can take before it becomes uncomfortable. Then I have to take a break for a few minutes before I can go back to it. Before my first few anal scenes on film, I would sit in the dressing room with a butt plug inside me for a good half-hour or more just to stretch out my butt hole. Lube helps a lot and I won't do an anal scene without it.

Ed – Do you have further plans to direct some more or stay in the business?

Avy – I like directing. As you well know, this is a young girl business and there is new talent coming in all the time. I would like to continue directing, but since movie making has changed a lot, I'd like to focus more on the internet and try to create some new material for that medium. It's a really competitive business so I have to take everything I learned and apply it. I'm sure I'll do fine.

Ed – Avy, thank you for taking the time to sit with me today. You are quite charming. We're sure you'll do fine. Avy stands up. Her robe briefly falls open as she gets out of the chair. I savor my last look as she closes it back up and leaves the dressing room. Suddenly the publisher knocks on my door asking if the last issue went to the printer. I say it did – and realize my interview was just a daydream from looking at these hot pictures. Damn!

A full-page photograph of a man and a woman in a romantic pose. The man, on the left, is shirtless, muscular, and has long dark hair tied in a ponytail. He is looking down at the woman. The woman, on the right, has long blonde hair and is looking up at the man, with her hands on his waist. They are both wet, suggesting they have been swimming. The background is a bright yellow wall with a large purple triangle on the right side. The text is overlaid on the right side of the image.

Hot for cock!

Avy and Nikko have a rendezvous at the beach club, but it's not for swimming. They're both already wet and ready for action. There's no holding back when these two hot sex freaks get it on. And you get to watch. But get a cool drink ready. You're gonna get hot!

RENNA TOPS THE BILL

To the editors,

I'm writing to tell you how much I liked your issue with Renna on the cover and on the inside, but there were definitely not enough pages of her. What a stunning creature she is. I wish she was somewhere where I could adore her, even from a distance. And the super hot pictorial of Carmella and that guy. Man that was really hot, and she's got a great body and seems like she likes giving head. None of the girls I've dated act this way. Why can't I meet girls like these? Thanks anyway!

HONEYMOON BLUES

Hey you guys,

I know you get all sorts of stories about hot sex, but I've just got to tell someone about mine and I like the letters you've been printing. I have to write this quick because I'm at the office and gotta go soon, but before I forget it, I'm gonna do it.

A month ago we were newlyweds running from the church to a chorus of cheers and rice; then were off to our exotic honeymoon. The next morning we hopped on a plane to Jamaica with the excitement of a week of nothing but beach and sex before starting the rest of our lives together.

We were too exhausted to fuck that night but I had great expectations for the near future. So listen, I get up early with this raging hard on, but Janice, my gorgeous new wife, was already up. She was wearing a baggy sweat suit and her hair pulled back. Maybe she thought that she still looked sexy even in sweats and with no makeup on. Apparently she was out on the veranda exercising and hurt herself! She came over to the bed with a puppy-dog look on her face; big sad eyes and hands on her hips. She told me that she was doing toe touches when her back gave out.

I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. She sat on the bed and I sat up and grabbed her. At first she pushed me away gently but firmly. "Boy, you are really hard up if you think I'm sexy in my sweats," she said. I was just a little breathless and pulled the

Hot face and a natural flawless body to die for, our members salute Renna. If you haven't seen her lay-out, go get the issue now! — Ed.

covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Tim, my back hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun sex things we said we would do. She said we would, right after her back got better, but now she had to lay down.

Guys, that's the way it was for three days and I was going out of my mind. She spent everyday in bed or on the veranda staring at the ocean. When I tried to get close to her, she always complained about her back

and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I complained so much. After a few strokes I exploded because it was so pent up, and that's why it was a quickie.

Now it's the fourth morning of our honeymoon, only two days left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the veranda drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring — naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bedstand and spread some on her buttocks working it into her crack and slipped a finger inside her butt hole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper. I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon," she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep in her butt hole and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great honeymoon after all for the both of us.

— Tim from Raleigh

When this pictorial came into our office, we literally creamed in our collective pants. Now, you understand that we look at thousands of pictures every year and see all sorts of women, but these two are by far the most beautiful sapphos we have ever seen. Either one could be a playmate. And the things that they do to each other are hotter than hot!

We kept our mouth shut to let you enjoy the ladies. There was so much good stuff that it was hard to pick even these pictures. But we did a pretty good job, now the rest is up to you. Have you ever spoken to a beautiful lesbian, and knew she was one? Now's your chance... Ask them anything you want, like – What's it like to be with another beautiful woman?
